EAN: 4002888416702

Product Code: 762965

R858 ~~R861~~

The CROMO® Slim High Speed HDMI Cable with Ethernet is an affordable, high quality cable featuring gold plated contacts for better conductivity and resistance to corrosion and tarnishing.

This super thin and flexible HDMI cable has been specially designed for connection to devices in confined spaces or with restricted access to the HDMI ports. 4K@60Hz Support for immersive, lifelike clarity of your video content. HDR (High Dynamic Range) support also provides a wider spectrum of colours. deeper black and brighter whites for a perfect viewing experience of movies, Tv shows and games.

The slim form factor also reduces the weight of the cable by around 80% compared to the standard CROMO® cables making it perfect for connecting to awkwardly placed devices in a rack, to displays mounted close to a wall or when creating a minimalist desk or gaming setup
