A real all-rounder for all situations!

The Powerbank convinces with its integrated USB-C cable, which can be connected directly to the Smartphone. If you want to charge a device with a different port, you can use the additional USB-A port. The small energy miracle offers additional power for every device.

With 10000 mAh the Powerbank has enough capacity to recharge smartphones several times. The integrated cable allows fast charging with up to 3.0 amperes, the USB connection supplies 2.4 amperes. It is even possible to charge 2 devices in the same time via both connections.

- Compact design with an integrated USB-C cable
