TP-Link TL-WR820N wireless router Fast Ethernet Single-band (2.4 GHz) White

Model: TL-WR820N

Manufacturer: TP-LINK

EAN: 6935364099695

Product Code: 763121

R852

300Mbps Wireless N Speed - Fast Downloads

TL-WR820N is compatible with IEE 802.11b/g/n and provides a high-speed Wi-Fi. Enjoy speeds of up to 300 Mbps for even your most demanding home networking needs, such as HD streaming, online gaming, and downloading large files.

Strong Signal, Great Coverage

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Two powerful 5dBi antennas and 2×2 MIMO enhance wireless transmission to deliver broader wireless coverage with stronger signal intensity.

Smooth Video Streaming

IGMP Proxy/Snooping, Bridge, and Tag VLAN support optimizes IPTV streaming so you can enjoy your favourite movies and shows lag-free.

Guest Network

The Guest Network function provides secure access for guests to use your Wi-Fi network. Share with anyone, without compromising your private network.

Premium Design

An ergonomic shape and sleek texture make for a stylish addition to any room. A hole-punched top plate dissipates heat to ensure long-term functionality and stable operation.

IPv6 Compatible

Compatible with the most recent Internet Protocol version (IPv6) keeps your router future-proof and allows you to enjoy IPv6 services provided by your ISP and visit IPv6 websites.
