- Preset for Convenience – Found your favorite lighting for watching movies? Save it as a setting you can simply select for future movie nights.
- Schedule & Timer – Create schedules and count plans to turn on/off with the brightness/color you set.
- Sunrise and Sunset Modes – Automatically activate your light according to your time zone.
- No Hub Required – Connect the L530E light to your home wifi, then you are all set.
- Voice Control – Manage the lights with your voice commands as Tapo works with Amazon Alexa and Google Assistant.
- Remote Control – Take your phone out for the pocket and open the Tapo app to control your light remotely.
- Away Mode – Automatically simulate someone being at home to frighten away, unwanted visitors.
- Restore Last Light State – the bulb automatically returns to its previous power-off state.
