

ARCTIC MX-4 Highest Performance Thermal Compound

Model: ACTCP00059A

Manufacturer: ARCTIC

EAN: 4895213703055

Product Code: 763591

R710

Ensure optimum thermal conductivity with our award winning thermal interfaces. Well known for its outstanding quality, our high-performance MX thermal compound is a regular winner in performance tests. It has extremely high thermal conductivity and is easy to apply, even for beginners. Thermal pads in various designs and sizes round out the product range.
