

Axagon RUCM-AFA adapter USB-C (M) -> USB-A (F), USB 3.2 Gen 2, 3A, ALU

Model: RUCM-AFA

Manufacturer: AXAGON

EAN: 8595247903822

Product Code: 763706

R628

The AXAGON RUCM-AFA USB-C > USB-A adapter connects existing devices with a USB Type A connector to any new device with a modern USB Type C interface.

Compact and durable adapter will allow, for example, fast connection of an existing USB 3.0 hub to laptops equipped with USB-C connectors only.

USB-C > USB-A adapter can be used not only to transfer data, but also allows charging up to 3A.

Aluminium body, quality connectors and USB 3.1 Gen 2 support up to 10 Gbit/s provide seamless functionality and long-term use.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
