Product Code: 763849

R561

Passive Power over Ethernet (PoE) adapter kit

PoE Injector cable: RJ45 female + power female to RJ45 male (external power adapter not included)

PoE Splitter cable: RJ45 female + power male to RJ45 male

Enables power and data transfer over single network cable

- Perfect for use with IP-cameras
- Transfers power and data over single Ethernet cable
- Plug and Play: no installation or configuration required
- This passive Power over Ethernet injector + splitter adapter kit is an ideal solution to supply e.g. your IP Camera with power and data without adding an extra cable. This kit contains 2 adapters which manage the power and data transfer over only one single network cable. This
