Arrive at your destination with a full power thanks to the Duracell 18W + 12W dual USB-A in-car charger. The compact charger fits in your vehicles power socket and offers faster charging than a standard 5W charger. Dual ports enable you to charge two devices simultaneously from a single vehicle power socket, one with Qualcomm Quick Charge 3.0 port that provides optimised 3 x faster charging to compatible devices and a 2.4A port.
