Bip Max is built for people who want one watch that can keep up with everything they try. From gym sessions and group classes, to first runs and recovery days, it supports hybrid training without requiring expertise.

A bigger, brighter display keeps your stats front and center. A battery that goes for up to 20 days means you don t have to stop to recharge. More storage gives you space for every workout, podcast, and new goal you decide to chase. More screen. More power. More possibility.
