

Dreame A2 2000 Robotic lawn mower Battery Black, Grey

Model: MXXA8202

Manufacturer: DREAME

EAN: 6979054370145

Product Code: 767781

R26,767

OmniSense™ 2.0 3D Ultra-Sensing System with AI Camera

3D high-precision LiDAR sensor: Detects up to 70* meters with a 360° × 59° wide-angle view and centimeter-level precision. AI 1080p HDR camera: Captures your garden in astonishing detail and uses advanced data analysis to identify actual objects in the environment.

AI-Powered Auto Boundary Setup

Utilizing LiDAR grid scanning and advanced visual algorithms, A2 precisely detects anddifferentiates between grass and non-grass areas. It swiftly navigates andscans your yard, setting boundaries and allowing you to fully enjoy your time.

Dual-Fusion Navigation and Mapping

A2 enhances its environmental awareness by integrating a 3D high-precision LiDAR sensor with a front-facing camera utilizing advanced visual intelligence algorithms. This combination allows A2 to automatically navigate and position itself across yards for efficient and effortless mowing.

Dual-Map Management

Perfect for homes with disjointed front and back yards, A2 allows you to create and manage 2 independent maps. Customize distinct mowing plans for each area, saving you time and eliminating the need for an additional mower. It is also ideal for owners of multiple properties.

Smart Zone Management

Easily set up multiple mowing zones through the Dreamehome App. Customize various mowing settings for each zone. A2 automatically navigates between these areas, finishing the job seamlessly and efficiently.
