GRASS MOWER ROBOT MOVA LIDAX/ULTRA 800 MXXM2100 DREAME

Model: MXXM2100

Manufacturer: MOVA

EAN: 6977973410621

Product Code: 767782

R19,308

LiDAX Ultra Series: Master Your Lawn with Supreme Intelligence

UltraView™ 2.0:
With AI vision and 360° 3D LiDAR, the mower AI-assisted auto-maps your garden in 3D - no wires for RTK stations needed, even in complex layouts, under dim or harsh lights.

Smart Zone Control, Effortless Mowing:
With the MOVAhome App, you can manage multiple zones with custom directions, efficiency levels, and mowing settings for each area. Define no-go zones—such as swimming pools or garden facilities—for intelligent avoidance. Create dedicated channels for moving between zones or charging.

The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

UltraTrim™ 1.0:

With UltraTrim™ 1.0, the mower cuts within 5cm of walls, hedges, and raised edges. A movable disc covers gaps to minimize misses. For flush lawn-pavement edges, it rides on edges for clean, precise cuts.

Conquer Complex Terrain:

The rear-wheel drive system and off-road wheels provide strong traction, climbing slopes up to 45% and overcoming obstacles up to 4cm high and pits, with ease. It also handles uneven terrain, challenging weather, and maintains lawn-friendly operation.

Smooth Narrow Pathway Crossing:

Pass through spaces as narrow as 60cm with precise, consistent mowing. Powered by UltraView™ 2.0 Environmental Sensing Technology, the LiDAX Ultra Series senses its environment for smooth navigation through tight lawn passages.

Efficient Mowing, Effortless Lawn Care:

The LiDAX Ultra Series mows every inch of your lawn using U-shaped path planning, ensuring even, precise cuts. When the battery runs low, the mower automatically returns to the charging station and resumes mowing exactly where it left off.

Smart Floating Cutting System:

The LiDAX Ultra Series features an advanced floating cutting system that adapts seamlessly to every contour of your lawn. Its dynamic blade suspension moves smoothly up and down, giving you an even, precise cut every time.

Adjustable Cutting Height:

Adjust the cutting height directly from your MOVAhome App to match your ideal lawn style. With a simple tap, choose the perfect grass length—anywhere from 3 to 10cm*—for a consistently neat and well-groomed finish.

Signal Assurance, Accurate Positioning Anywhere:

Powered by advanced 360° 3D LiDAR, AI vision, and intelligent algorithms, UltraView™

2.0 operates independently of GPS for reliable navigation. Achieve continuous precise positioning and efficient mowing—day or night, in bright, low-light, or weak-signal conditions.

AI Vision-Powered 3D Obstacle Avoidance:
Powered by 3D point cloud data and advanced AI vision, the LiDAX Ultra Series detects and avoids over 300 types of lawn obstacles—from large outdoor furniture to small yard items. Continuous algorithm upgrades enhance recognition accuracy and safety, ensuring smooth, worry-free mowing for your family and pets.

TrueGuard™ Security:
The LiDAX Ultra Series features TrueGuard™, an intelligent security system that keeps your garden safe day and night. It continuously monitors the surroundings, detects potential risks, and alerts you when needed—so you can enjoy complete peace of mind outdoors.

Animal-Friendly Modes:
Keep your lawn wildlife safe day and night, powered by intelligent detection and avoidance systems.

Anti-Theft Protection:
Keep your mower safe anytime, powered by real-time connectivity and intelligent alerts. An alarm triggers and sends instant app notifications if the mower is lifted or tampered with.

Season-Smart Adaptive Scheduling:
Dual schedules adapt to seasonal growth, ensuring precise lawn care year-round. After mapping, a default schedule is generated for all mowing modes. Enjoy easy customization of spring/summer and autumn/winter schedules for all-area, zone, and edge mowing.

Enjoy clean, emission-free mowing:
Powered by a lithium battery, the mower operates quietly and sustainably, unlike
