

WRL CAMERA 10MP RANGER 2C DUAL/IPC- S20CP-10M0S IMOU

Model: IPC-S20CP-10M0S

Manufacturer: IMOU

EAN: 6976391039421

Product Code: 791087

R1,821

Dual lens - securing 2 zones at once

Ranger 2C Dual comes with a fixed lens in addition to the normal PT lens, allowing you to monitor two areas at a time.

Upgraded more than 2 lens

Dual-band lagless Wi-Fi 6 connection

Ranger 2C Dual supports dual-band connectivity and Wi-Fi 6 for extra stability, easily switching between 2.4GHz extended coverage and 5GHz blazing speed to keep your camera connected, stable and protected at all times.

Upgraded high-volume speaker

The upgraded Ranger 2C Dual speaker is 40% louder, with powerful acoustics that immediately deter intruders and ensure clearer sound on two-way calls.

Make calls at the touch of a button

Tap the one-touch call button on the Ranger 2C Dual to dial the phone directly, and now also supports the Call Kit feature for iOS and Android, so you won't miss a single call, you can also pick up the call in the app for one-way video.

Every angle, every detail

Scenario-optimized resolution options

You can choose the 3+3/4+4/5+5 MP dual-camera clarity option for graded scene adaptability - from home monitoring to more professional and in-depth usage scenarios.

The adjustable dual-lens give you 360° protection

Ranger 2C Dual's pan-tilt lens supports 0°-355° horizontal rotation and -5°-80° vertical rotation, while the fixed lens supports 15° vertical rotation to protect your home 360°.

Dual-lens independent full color night vision

Both lenses of the Ranger 2C Dual independently support 4 night vision modes, which can be switched depending on whether someone is present or if you want the lights on and off.

Enjoy easier security with IMOU Life

Customize your algorithmic matrix with Algo Play

With Algo Play, you can combine as many and more specialised algorithms as you like, such as gesture calling, zone intrusion, people counting detection, etc., to make the IMOU product fit your needs perfectly. (Only 5+5MP version supported)

AI-powered precision - by IMOU SENSE®

IMOU SENSE® is IMOU's self-developed AI algorithm, which uses separate arithmetic for each lens of the Ranger 2C Dual, increasing its overall detection accuracy by more than 50% and giving you the results back in 0.02 seconds.

Precise human & pet detection

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

With the support of IMOU SENSE®, the newly upgraded AI can effectively improve the accuracy of detecting people and pets, and can intelligently track the target; when there is an event triggered, in addition to pushing information to the user's phone, the device itself will also alarm.

Enjoy easier security with IMOU Life

Customizable detection zone

You can set the areas you want to be detected in the app to avoid false alarms and achieve more efficient security.

Customizable alarm sound

We have preset a variety of alarm tones in the app and you can also set your own alarm tones.

Protection scheduling

You can customize the camera's working and resting times in the app, allowing it to protect your home as your wish.

One-click physical privacy shield

With just a click in the app, Ranger 2C Dual will automatically flip down the camera and activates the physical privacy shield to protect your privacy in your home.
