

Power Supply

MSI PRO

A1000PL PCIE5

ATX PC 100 -

240 V 1000 W

PROA1000PLPCIE5

Model: PRO A1000PL PCIE5

Manufacturer: MSI

EAN: 4711377383622

Product Code: 791784

R4,408

The PRO Series is tailored to professionals from all walks of life. The lineup features impressive performance and high quality, while aiming to provide users incredible experience. Users who care about productivity and efficiency can definitely count on the MSI PRO Series to assist you with multitasking and increasing efficiency.

Ultimate Proof PSU

It has an output port that is compliant with Intel PSDG (Power Supply Design Guide) ATX 3.1, the power supply can hold up to 2x total power excursion and 3x GPU power excursion.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Reliable Connector Design

The power supply features the 12V-2x6 (H++) connector, design with an optimized structure that complies with the PCIe CEM 5.1 standard. This ensures enhanced reliability and safety. It is capable of delivering up to 600W of power, making it suitable for even the most demanding high-end graphics cards.

GPU compatibility

Versatile ways of connection according to the power connector design of different graphics cards.

Platinum Efficiency Certification

The efficiency of your power supply significantly impacts overall power consumption. The Platinum certification stands out as a reliable benchmark for energy efficiency, ensuring that your power supply delivers lower energy consumption and operates at higher efficiency levels.

105°C Main Capacitor

Aiming for superior product quality and performance stability, this power supply features 105°C main capacitors for long-term use reliability.

Built for Maximum Safety

The power supply's cables, from the internal copper wires to the external high-density braided cover, are fully UL certified, ensuring superior safety and durability.

- Dual-color 12V-2x6 Cable
- ATX 3.1 Ready
- PCIe 5.1 Ready (600W)
- 105°C Main Electrolytic Capacitor
- 80 PLUS Platinum Certification
- Embossed Jacket Certified Cables
- Industrial level protection with OCP, OTP, OPP, SCP, OVP, UVP, SIP, NLO

Summary: MSI PRO A1000PL PCIE5. Total power: 1000 W, AC input voltage: 100 - 240 V, AC input frequency: 50/60 Hz. Motherboard power connector: 20+4 pin ATX, Motherboard power cable length: 60 cm, Cabling type: Fully-Modular. Purpose: PC, Power supply unit (PSU) form factor: ATX, 80 PLUS certification: 80 PLUS Platinum. Product colour: Black, Cooling type: Active, Fan diameter: 12 cm.
