R2,983

Experience gaming like never before with the CORSAIR SABRE V2 PRO ULTRALIGHT, designed for performance and comfort. This mouse boasts a movement resolution of 33,000 DPI, ensuring precise tracking for competitive play. With both wired and wireless connectivity options, players can enjoy versatility while gaming, whether at home or on-the-go.

The SABRE V2 PRO offers performance metrics, including a polling rate of 8000 Hz and a maximum acceleration of 50 G. Equipped with mechanical switches and the responsive CORSAIR MARKSMAN S Sensor, this mouse delivers responsiveness during intense gaming sessions. Additionally, included accessories like a USB-C cable, grip tape, and extra mouse feet provide added convenience and customization for every user.
