GOLD Certified
Shifted Modular
PSU**

Model: CP-9020299-EU

Manufacturer: CORSAIR

EAN: 840006677284

Product Code: 800114

R3,903

The CORSAIR RM850x is a modular power supply that offers flexibility and performance for PC and server builds. With a power output of 850 watts, it ensures ample power for demanding systems. This power supply features advanced protection mechanisms including overheat, overcurrent, overvoltage, overpower, and short-circuit protection, keeping components safe during operation. The modular design allows for efficient cable management, helping to maintain a clean and organized build, while the Zero RPM fan mode ensures silent operation at lower loads. With a robust cooling
