

# Yeelight Jupiter D C600 RGB smart ceiling lamp

Model: YLXDD-0273

Manufacturer: YEELIGHT

EAN: 6924922261346

Product Code: 805783

## R3,536

### Yeelight Jupiter D C600 RGB smart ceiling lamp

Yeelight Jupiter D C600 is a smart ceiling lamp offering infinitely adjustable brightness and color temperature, 16 built-in lighting effects and a full range of 16 million colors. Equipped with smart modes and integrated with smart home systems, it allows convenient voice and app control. The minimalist design with brushed metal frame combines elegance with durability, and the carefully considered design provides crystal-clear, glare-free light, high color rendering index, safety and no flicker, taking care of comfort and eye protection while consuming low power. Choose Yeelight today and see how much difference the right home lighting can make!

### Exceptional effects and full color immersion

Yeelight Jupiter D C600 will transform the atmosphere in your home in no time. With infinitely adjustable brightness from 0-100% and color temperature from 2700 K to 6500 K, as well as 16 built-in lighting effects, you'll be able to match the light to any situation - from relaxation to dynamic entertainment. The lamp offers a Smart RGB/CW 2-in-1 mode (RGB - red, green, blue, red, green and blue light, CW - Cool White, cold white) and an impressive 4,000 lm brightness, so it can easily illuminate even large rooms. With 16 million colors and the ability to change them instantly, you can create the perfect mood for a movie night, a romantic dinner or an exciting sports game.

## **Elegance combined with durability**

The frame made of high-quality brushed metal gives the lamp a luxurious character, and at the same time guarantees resistance to everyday use, prolonging its life. With its carefully crafted details and sleek, minimalist design, the Yeelight Jupiter D C600 will fit harmoniously into any interior.

## **Comfort for your eyes**

Specially designed construction ensures crystal-clear light diffusion and eliminates glare. The high CRI (Color Rendering Index), RG0 (Risk Group 0, a photobiological safety standard) safety for blue light emissions, and flicker-free performance in accordance with IEEE standards (Institute of Electrical and Electronics Engineers, an organization of engineers and scientists who create and approve hardware standards) protect your eyesight for maximum lighting comfort.

## **Expand your capabilities**

Yeelight Jupiter D C600 integrates seamlessly with your smart home. Control it with voice assistants (Alexa, Google Home, Mi Home, Yandex), the Mi Home app, the remote control or the Flex™ switch (both available for sale separately). Moonlight mode generates a soft, cozy light, perfect for nighttime. The lamp consumes only 50 watts, combining performance with energy efficiency.
