Sunnylife AQX-20 case for Mavic 4 PRO & RC 2 c

If you often take your drone into the field, you need a rugged case that can handle any conditions. The Sunnylife AQX-20 is a hard transport case designed with Mavic 4 Pro users in mind. You can easily fit your drone in it along with an RC 2 or RC PRO 2 controller, charger, charging hub, up to five batteries and a set of accessories. It's the perfect solution for people who value order and full protection of their equipment - regardless of location and weather.

Waterproof and resistant to extreme conditions

The AQX-20 is no ordinary bag - it's a weatherproof case that will protect your gear even during unexpected rain or contact with water. The airtight closure prevents water from getting in, and the durable hard plastic case protects against shocks, bumps and even high and low temperatures. Ideal

Thoughtfully designed interior

The interior of the case has been contoured so that every piece of equipment has its place - with no play or risk of shifting. High-quality foam padding absorbs vibrations and protects devices from scratches. It will accommodate a Mavic 4 Pro drone with cover, RC 2 or RC PRO 2 controller, charger, hub, up to 5 batteries (including one in the drone) and additional accessories - propellers, power cable or controller strap. Everything organized, enclosed and ready to go.
