R647

The Gembird Cablexpert CC-DP-HDMI-3M is a reliable video adapter cable designed for seamless connectivity between DisplayPort and HDMI devices. This cable is geared for those looking for a shielded option that minimizes signal interference while providing high-quality transmission. With features like 99.99% Pure Oxygen-Free Copper, it ensures efficient performance and durability over time. With a length of 3 meters, this cable is adaptable for various setups, whether connecting a computer to a monitor or a projector. Its compliance with ISO 9002 and RoHS standards ensures a product that meets rigorous safety and environmental criteria. The male connectors on both ends allow for easy connection of a DisplayPort source to an HDMI display.
