

GEMBIRD Power supply unit 1000W active PFC 12 cm fan 80+Gold

Model: CCC-PSUGOLD-1000W

Manufacturer: GEMBIRD

EAN: 8716309134033

Product Code: 806682

R2,809

The Gembird CCC-PSUGOLD-1000W power supply offers a reliable energy source for any computer system. With an output of 1000 W, this power supply supports a variety of components including CPUs and GPUs through its extensive modular cable management. Designed for efficiency, the CCC-PSUGOLD delivers up to 90% efficiency at 50% load, complemented by its 80 PLUS Gold certification, ensuring energy is utilized effectively while minimizing waste.

Safety is a priority with multiple protective features including overcurrent, overvoltage, and short-circuit protection. The 120 mm cooling fan incorporates a temperature control system to keep the unit operating at optimal temperatures. Compliant with ISO 9002, RoHS, and WEEE standards, the Gembird CCC-PSUGOLD-1000W is an environmentally-friendly option that provides high performance and reliability for demanding systems.
