

UBIQUITI U7-LR

Access point

WiFi 7 1x RJ45

2.5GbE PoE

Model: U7-LR

Manufacturer: UBIQUITI NETWORKS

EAN: 810177161929

Product Code: 806699

R4,692

The Ubiquiti UniFi U7 Long-Range wireless access point delivers reliable connectivity, supporting over 300 wireless clients with a coverage area of up to 160 sq.m. Its sleek, compact design allows for hassle-free wall or ceiling mounting, making it ideal for various environments. This access point operates efficiently between -30°C and 50°C with a humidity tolerance of 5% to 95%, ensuring consistent performance in diverse conditions.

Equipped with features like MU-MIMO technology and band steering, the U7 ensures efficient distribution of bandwidth among users. Fast Roaming and Wireless Mesh support enhance connectivity, while dynamic RADIUS-assigned VLAN and Private Pre-Shared Key (PPSK) improve security and network management. With compatibility across numerous Wi-Fi standards, including Wi-Fi 6 and Wi-Fi 7, this access point meets the demands of modern networking needs.
