

GEMBIRD Power supply unit 850W active PFC 12 cm fan 80+Bronze color box

Model: CCC-PSUBRONZE-850W

Manufacturer: GEMBIRD

EAN: 8716309134019

Product Code: 806860

R1,682

The Gembird CCC-PSUBRONZE-850W is a power supply designed to meet the needs of gaming and high-performance computing systems. Offering a robust output of 850 W, this power supply ensures stable and efficient power delivery. It features multiple cables including an ATX power cable, a 15 pin SATA cable, and an 8 pin PCI Express power cable, making it versatile for various setups. The internal design complies with ATX specifications and incorporates essential protective features like overcurrent, overvoltage, and short-circuit protection, helping to safeguard your components against electrical issues. The 120 mm temperature-controlled fan optimizes cooling, ensuring your system runs smoothly even under heavy loads with efficiency ratings of 85% at 100% load and up to 88% at 50%. Certified with 80 PLUS Bronze, this power supply delivers performance with reduced energy consumption, making it a choice for anyone building or upgrading a system.
