Fanttik X9 Ace bicycle pump

The Fanttik X9 Ace is a portable electric bicycle pump that combines compact size with impressive performance. It easily fits in a backpack or even a pocket, yet it can inflate a road tire to 100 PSI (pounds per square inch, a unit of pressure) in just 32 seconds. It's the perfect choice for anyone who doesn't want to waste time on the road.

Versatile application

Whether you ride a road bike, mountain bike, city bike or electric bike, the X9 Ace can handle any situation. With support for Schrader and Presta valves, you can instantly match the pump to your unicycle. This is a practical solution for both professional cyclists and amateur weekend riders.

Fast and safe pumping

Efficient cooling system allows continuous operation for up to 25 minutes, eliminating the risk of overheating. A maximum pressure of 150 PSI guarantees efficient inflation of all types of tires, and a clear LED (Light Emitting Diode) indicator makes it easy to check the air level.

Modern technology and convenience

The Fanttik X9 Ace is equipped with a 5000 mAh rechargeable battery, so you can use it repeatedly without frequent charging. The 360° rotating tip provides convenience in any position, while the intuitive buttons and easy-to-read screen make operating the device quick and hassle-free.

Included

- Bicycle pump
- Charging cable
- User manual

Manufacturer	Fanttik
Model	X9 Ace
Maximum pressure	150 PSI
Pumping time	32 s (80-100 PSI, 700 × 23C tire)
