The Gembird Cablexpert USB-C cable provides reliable performance and versatility for connectivity needs. Designed for data transfer and charging, this cable complies with USB 2.0, USB 3.0, and USB 3.1 standards, ensuring compatibility with a wide range of devices. With a rated current of 3 A, it supports efficient syncing and charging, making it an essential accessory for everyday use. Built with a shielded design, the cable features aluminum foil and braid shielding to minimize interference, enhancing data integrity. Its molded construction ensures durability, while the PVC jacket adds further protection, making it ideal for frequent use. The gold-plated connectors improve conductivity and resist corrosion, ensuring a secure connection every time.
