

ZigBee Avatto GW60-Matter intelligent bramka

Model: GW60-Matter

Manufacturer: AVATTO

EAN: 6976037361961

Product Code: 807317

R1,674

Avatto GW60-Matter smart ZigBee gateway

Avatto GW60-Matter is a wired ZigBee gateway that, with support for Matter, ZigBee and Thread technologies, connects devices from different manufacturers in a single system, allowing them to operate and control together from a single application. It's a solution that ensures full compatibility and connection stability throughout the home.

Full compatibility with popular platforms

The gateway works with the most popular ecosystems - Amazon Alexa, Google Assistant, Apple HomeKit, Philips Hue, SmartThings and IKEA. This allows you to control lighting, heating, blinds or voice and motion sensors regardless of their brand, using the common Matter platform.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Stable wired LAN connection

The device uses a wired RJ45 connection, which guarantees efficient operation and minimal communication delays. Stable data transfer translates into faster system responses and automation reliability.

Rich ecosystem of slave devices

The gateway supports a wide range of devices connected via ZigBee and Matter over Thread - from smart outlets to sensors to lighting systems. This gives you the flexibility to expand your smart home system with additional components without compatibility limitations.

Simple setup and elegant design

The compact design (88 × 88 × 20 mm) makes it easy to fit the device anywhere - on a desk, shelf or next to your router. A subtle LED bar indicates the operating status, and the USB-C port provides fast and stable power.

Included:

- Gateway
- USB-C power cable
- Network cable
- User manual

Manufacturer	Avatto
Model	GW60-Matter
Connection method	Wired
Network port	RJ45
Power supply	5 V □ 1 A
Operating voltage	2.0 V - 3.8 V

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Operating temperature From -10°C to 55°C

Operating humidity From 10% to 90% RH

Wireless technology ZigBee, Thread

Dimensions 88 × 88 × 20 mm

Connectivity: ZigBee, App: Tuya Smart Life, LAN port: Tak, GPSR Link: https://psr-assets.innpro.pl/smarthome/sg_smarthome_controls.pdf, Information about data generation: <https://dataact.innpro.pl/avatto/6976037361961>, Gross weight: 140, Net weight: 99, Box length: 12,50, Box width: 12,00, Box height: 2,50, PPWR: <https://ppwr.innpro.pl/avatto>
