Product Code: 807424

R2,791

Neakasa Magic 1 Clothing Steamer

The Neakasa Magic 1 is a compact steamer that effectively smooths fabrics in just one stroke. With a pressure of 2,300 Pa, a 95 ml tank and automatic fabric grab, the device makes everyday ironing easier by eliminating the need to unfold the board. In addition, it helps remove up to 99% of bacteria and dust mites. You can use it one-handed vertically or horizontally without the risk of burning or leaving wet spots. The Steamer is lightweight, handy and safe for a variety of fabrics - from cotton to silk.

Get ready to go out in comfort

The 900-watt power enables fast heating - just 30 seconds. The automatic fabric grab function means you don't have to hold the fabric with your other hand - the device sucks in the fabric, holding it in place. This makes ironing simpler, faster and more convenient - especially for hard-to-reach areas like sleeves and collars.

Steaming without waste

Steam is directed directly to the fabric, effectively smoothing fabrics in just one pass. As a result, you don't need to repeat the steps several times. As a result, you use less water and save time.

No stains and burns

The Neakasa Magic 1 clothes steamer works with a no-backflow system, reducing the risk of burns and leaving no water spots on your clothes. So you can smooth even delicate fabrics without worry.

Ready to travel

Thanks to its compact size and lightweight design, the steamer is ideal for travel. It will fit in your suitcase and will not take up much space. Neakasa Magic 1 is a practical solution for people who travel often.

For any fabric

The device supports both vertical and horizontal steaming, providing great freedom of use. It is safe for cotton, silk, linen, wool, denim and synthetic fabrics.

More than just smoothing

The steamer removes up to 99% of bacteria and dust mites from fabric surfaces. It's a practical solution if you want to additionally refresh pillows, curtains or clothes without washing - quickly and without detergents.
