

Battery kit for LOQED smart lock

Model: PowerKit

Manufacturer: SHELLY

EAN: 8719326820125

Product Code: 807425

R1,837

Battery kit for LOQED smart lock

The LOQED Power Kit is an eco-friendly and convenient power source created specifically for the LOQED Touch Smart Lock. The kit includes eight long-life AA batteries, an AC adapter and a three-meter cable that allows charging without removing the lock housing. This practical solution eliminates disposable batteries, reduces waste and ensures uninterrupted operation of the smart lock for up to twelve months. With the Power Kit, the LOQED lock operates even more economically, safely and environmentally friendly.

Included

- 8 AA batteries (NiMH, rechargeable)
- AC adapter
- Power cord with a length of 3 meters
- Charging adapter
