Model: 4XC1Q44952

Manufacturer: LENOVO

EAN: 195892109556

Product Code: 807617

R1,967

The Lenovo webcam offers video quality with a maximum digital resolution of 1920 x 1080, ensuring clear images during video calls or recordings. Featuring a wired USB 2.0 connection, it is compatible with a variety of devices, making it a versatile choice for both professional and personal use. The camera includes a privacy shutter for security, a noise-canceling microphone, and supports audio functionality with built-in dual microphones, creating an efficient communication tool for users. With a robust operational temperature range from -5°C to 40°C and humidity tolerance from 0 to 90% RH, this webcam is designed for use in various environments. Additionally, the tripod support provides flexibility in placement, enhancing the overall usability of the device.
