HOTWAV TAB R8 tablet (black)

The HOTWAV TAB R8 is a tablet designed for those who need a device that is ready for anything. It combines water, dust, and drop resistance with a large, comfortable screen, long battery life, and a smooth Android system. It provides efficient performance, plenty of storage space, and reliable connectivity and navigation in any terrain. With practical cameras, a power bank function, and fast face unlocking, it is perfect for demanding work, travel, and everyday use.

Large screen for work, entertainment, and navigation

The wide 10.1-inch HD+ display offers a clear image and a comfortable workspace, ideal for viewing documents, maps, field applications, or multimedia. The 16:10 aspect ratio provides a more immersive viewing experience while facilitating both horizontal and vertical orientation. It's a screen that's perfect for both work and relaxation after a busy day.

Power that keeps up with you

At the heart of the HOTWAV TAB R8's mobility is a high-capacity 10,800 mAh battery, designed for long and trouble-free operation without constantly reaching for the charger. The tablet offers up to 700 hours of standby time, approximately 18 hours of talk time, and up to 18 hours of music playback. Fast charging support reduces recharge time, and the OTG function allows you to use the tablet as a power bank to charge other devices on the go.

Smooth operation and large data storage space

The stable operation of the system is ensured by the Unisoc T606 octa-core processor, which provides good performance in everyday tasks, working with applications, and multimedia support. The tablet offers 4 GB of RAM, expandable up to 12 GB, for smoother multitasking. 128 GB of internal storage provides space for files, photos, and apps, and support for microSD cards up to 1 TB allows you to expand your data storage even further.

A system that keeps up with you

The HOTWAV TAB R8 runs on Android 14, offering up-to-date security, intuitive operation, and access to a wide ecosystem of applications. It's an environment that combines ease of use with smart features, allowing you to customize your tablet to your individual needs, both personal and professional.

Photos and videos in all conditions

The tablet is equipped with a 13 MP rear camera with an OMNIVISION sensor, which uses advanced PDAF autofocus and PureCel® technology for better photo quality even in low light. The camera offers DSLR-like quality in its class and allows you to record HD video with EIS electronic image stabilization. On the front, there is a 5 MP camera with a Samsung lens, ideal for video calls, video conferencing, and quick selfies on the go.

Unlimited connectivity

The HOTWAV TAB R8 supports the global 4G LTE network and is equipped with dual SIM card slots for flexible connection management. Dual-band 2.4 GHz and 5 GHz Wi-Fi provides stable internet access, while Bluetooth 5.1 enables fast and energy-efficient connection to accessories. The tablet

also supports four navigation systems (GPS, Glonass, Galileo, and Beidou), ensuring accurate positioning when traveling and working in the field.

Top-level security

For greater ease of use, the HOTWAV TAB R8 offers a face recognition unlock feature. It's a fast and convenient solution that keeps your data secure without having to enter a password every time, even in dynamic working conditions.

Armored resistance in everyday use

The tablet meets the rigorous IP68, IP69K, and MIL-STD-810H durability standards, which means it is fully resistant to dust, splashes, and harsh weather conditions. The HOTWAV TAB R8 is waterproof to a depth of 2 meters for at least 30 minutes, and its reinforced casing protects the device from drops of up to 1.2 meters. It is a design you can rely on both in the field and during intensive everyday use.

Included in the set

- tablet
- 2A data cable
- OTG cable
- 5V2A charger
- colored protective film
- protective case
- user manual

Manufacturer	Hotwav
Model	TAB R8
Color	Black
Dimensions	252.5 x 168.5 x 15.5 mm
Weight	Approximately 880 g

Housing material	Plastic
SIM	Two SIM/nano slots
Chipset	T606
CPU (Processor)	2 * A75 1.6G + 6 * A55 1.6G / 8 cores
GPU (Graphics processor)	G57 1Core@650MHz
Operating system	Android 14.0
Processor architecture (Framework)	ARM
Processor technology	12nm
Video encoding	1080p @ 60fps
Video decoding	1080p @ 60fps
RAM/ROM	(4+8GB)/128GB (RAM expandable up to 12GB)
Memory type	UMCP flash
Memory card (T-Card)	up to 1T
Display size	10.1"
Display type	INCELL
Resolution	800(RGB) x 1280
Pixel density	149 PPI
Brightness	450 nits typical, 400 nits minimum
Screen aspect ratio	16:10
Contrast	1500
Touch panel glass	INCELL panda (G+G, others)
2G	B2/B3/B5/B8
3G	B1/B2/B4/B5/B8
4G	B38/B40/B41/B1/B2/B3/B4/B5/B7/B8/B12/B17/B18/B19/B20/B25/B26/B28A/B28B/B6

Main rear camera	Sensor: OV13853, LED flash, optical size: 1/3.06", pixels and focus: 13MP, aperture: 2.2, angle: 81°
Front camera	Sensor: S5K5E2, sensor size: 1.12um, 1/5" optical dimension: 1/3.1, pixels: 5MP, aperture: 2.2
Battery capacity	10800 mAh
Charging frequency	5V2A
Material	Polymer
Voltage	4.4V
Capacity factor	1.6
Standby time	1000H
Talk time	200H
Music playback time	400H
Features	Face unlock (Face ID)
GPS	Beidou, Galileo, Glonass, GPS
Wi-Fi/WLAN/Hotspot/FM	2.4+5G
Bluetooth	5.1
OTG	Supported
G-sensor (Gravity sensor)	Supported
Compass	Supported
FOTA OTA update	Supported
Speaker type	k7
Speaker power	1.0W
Speaker size	1217 mm
Video playback	AVI, MP4, WMV, RMVB, MKV, MOV, ASF, RM, FLV, and other video formats, up to 720p/30fps
Video production	Highest support for 720p@30fps video recording
Audio player	MP3, M4A, AAC, MKA, AMR and other video formats / supports lossless formats: ALAC (Apple Lossless), FLAC, APE, WAV
