Don't worry about running out of space for your necessary accessories. The capacity of the backpack is as much as 22 L, which means that you can easily fit not only your laptop, but also, for example, your phone, wallet, necessary cables, digital camera, headphones or water bottle. What's more, thanks to its carefully thought-out design, you'll easily stay organized. There is a spacious main compartment, a compartment for your laptop and tablet, as well as a magnetic pocket, a side pocket and a zippered pocket.

Refined in every detail

Have confidence that the devices transported in the backpack are safe. The VintPack-TA1 model has a special compartment that is lined with soft padding to protect against shocks and bumps. You can easily fit a laptop up to 15.6 inches and a tablet up to 12.9 inches. There's also a side pocket for quick access to the items you need - now you can take out your camera or phone in a snap!

For your convenience

Enjoy unparalleled comfort even on long trips. The back of the backpack was created with soft, breathable materials for dreamlike comfort. Also noteworthy are the padded shoulder straps that avoid pain with heavier loads, and can be easily adjusted. The VintPack-TA1 also has extremely durable buckles and zippers - it will serve you well for a long time.
