The TM-m30III mobile POS receipt printer offers a range of excellent features, including enhanced connectivity and reliability.

Based on a stylish and ultra-compact design, and with a host of advanced features, Epson's TM-m30III is ideal for environments where quick, simple and reliable receipt printing is essential. A perfect combination of mobility, connectivity, reliability and ease-of-use, it's designed to meet the needs of a wide range of growing businesses.

Even more feature-rich than its predecessors, this addition to Epson's highly popular TM-m30 series features an ultra-small footprint and super-sleek design, and delivers easy, cost-effective and reliable receipt printing in any environment where space is an issue. Now including a USB Type-C PD (Power Delivery) connector, able to supply up to 18W, the TM-m30III (Standard model) is also more robust than ever before, with an antibacterial coating that provides protection against liquids to IPX2 standards, making it ideal for kitchen use. Also featuring paper near-end detection, which is great for kiosks and self-checkouts, its superior de-curling mechanism means that it's also perfect for receipts
