

Severin HT 0159

Model: HT 0159

Manufacturer: SEVERIN

EAN: 4008146046438

Product Code: 808590

R855

The foldable handle makes this hair dryer perfect for travel, saving space without sacrificing comfort. Dual-voltage (110/220–240 V) allows use anywhere in the world. Two combined temperature and power settings, plus a cool air button, provide precise styling control. The removable nozzle delivers focused airflow for professional results, whether adding volume, curls, or smooth lengths. Portable, functional, and versatile—ideal for home or on the go. Manufacturer: Severin | Power (W): 1600 | Number of speeds: 2 | Temperature modes: 2 | Cold air flow: Yes | Narrow concentrator nozzle: Yes | Diffuser: No | Color: Black | Cord length (m): 1.8 | Number of nozzles: 1 | Special notes: Foldable handle for travel, dual-voltage 110/220–240 V, portable and versatile
