

VERBATIM USB-C Pro Docking Station 15 Port CDS-15

Model: 32171

Manufacturer: VERBATIM

EAN: 23942321712

Product Code: 808984

R2,784

The Verbatim Pro docking station is a comprehensive solution designed to meet the needs of professionals and power users alike. With its robust power delivery of 100 W, it ensures your devices stay charged throughout the day. The docking station supports high-resolution displays up to 8K on a single screen and 4K on triple screens, making it perfect for both work and play. Its array of ports, including HDMI, DisplayPort, USB-C, and more, offers versatile connectivity options for a wide range of devices and peripherals. Additionally, the inclusion of Ethernet, Fast Ethernet, and Gigabit Ethernet capabilities provides reliable, high-speed network connections. For those who frequently work with digital media, the built-in SD and microSD card readers offer convenient access to files and photos. Whether you're at the office or working from home, the Verbatim Pro docking station is designed to enhance your productivity and multimedia experience.
