Model: IKGMK6

Manufacturer: IBOX

EAN: 5903968680190

Product Code: 809096

R2,276

The iBOX Aurora K-6 is designed for an efficient typing experience across multiple platforms, including Mac and Android. This mechanical keyboard features a versatile connectivity setup with options for wired, wireless, and Bluetooth 5.0, ensuring integration with a variety of devices. With 104 keys and 7 multimedia buttons, it facilitates efficient navigation, while the n-key rollover allows for simultaneous key presses without any ghosting. The low profile KRGD Red switches provide a responsive feel, suitable for both gaming and typing tasks. The LED backlighting adds a stylish touch, enhancing visibility in dim environments.

Crafted with a durable metal base, the Aurora K-6 is engineered to withstand extensive use, with a key life span of up to 50 million clicks. This keyboard is compliant with various standards, ensuring safety and reliability. Whether in the office or for gaming, the iBOX Aurora K-6 delivers performance and functionality, making it a reliable choice for users seeking efficiency and style.
