Arzopa Z1FC 16.1" Portable Monitor

Immerse yourself in the world of digital entertainment with the Arzopa Z1FC Portable Monitor, which combines advanced technology and mobility to provide an unparalleled experience for both work and entertainment. This device will satisfy the needs of even the most demanding users. Discover what makes the Arzopa Z1FC stand out in the market.

Excellent image quality

The Arzopa Z1FC monitor offers an impressive 16.1-inch screen diagonal, backed by a refresh rate of 144 Hz, which guarantees smooth images in the most dynamic scenes. With a brightness of 250 cd/m² and a wide color gamut of 100% sRGB, the image features exceptional color depth and intensity. In addition, a high contrast ratio of 1200:1 and a palette of 16.7 million colors (8-bit) ensure sharp and detailed visuals.

Ergonomics and compatibility

The Z1FC has the advantage of a built-in stand, which allows the viewing angle to be adjusted up to 80 degrees, making it more comfortable to use in various conditions. The monitor is also compatible with a wide range of devices, including PCs, Macs, phones, consoles (Xbox, Switch, PS4/5) and laptops, making it a perfect fit for a diverse group of users.

Versatility of connectors

The monitor is equipped with mini-HDMI ports and two USB-C ports, which ensures easy and fast connections to various devices and enables video and data transmission. This configuration of connectors highlights the monitor's versatility, allowing it to be used in a variety of environments and applications.

Enhanced functionality and mobility

Not only does the Arzopa Z1FC make it easy to switch the screen view from landscape to portrait, which is particularly useful for boosting productivity, but it also features mobility and ease of transportation, making it an ideal choice for frequent travelers.

Includes:

- monitor
- USB-A to USB-C power cable
- USB-C to USB-C cable
- mini HDMI to HDMI cable
- screen cleaning cloth
- user manual
