

TP-Link Smart Sensor Starter Kit 1×Tapo T100, 2×Tapo T110, 1×Tapo H100

Model: TAPO T30 KIT

Manufacturer: TP-LINK

EAN: 8885020624670

Product Code: 809320

R2,794

Hands-free Motion Detection

No more fumbling in the dark. Your hallway or bedroom lights turn on automatically as you pass by the motion sensor without having to flip a switch or say a word.

Door & Window Safeguard

Stop wondering if you closed all your windows after leaving home. Check on your doors and windows at a glance with the Tapo app.

A Low-Power Way to Connect Everything

The Tapo Hub is the heart of your Tapo smart home, connecting devices like smart sensors, switches and buttons, using an ultra-low power wireless protocol. This technology helps battery-powered

devices last up to 10 times longer.

Works with Tapo Devices for Home Automation

Turn Lights On Automatically

Lights automatically turn on when the contact sensor detects the door opening or the motion sensor detects someone passing by.

Motion Control an Entire Room

Create a customizable scene to control multiple devices and activate them all with motion.

Works with Tapo Cameras to Secure Your Home

Contact Sensor & Pan/Tilt Camera

When motion activity is detected by the sensor, the Tapo pan/tilt camera will activate Patrol Mode and sweep the area to see what's going on.

Motion Sensor & Pan/Tilt Camera

The instant a door or window opens, your Tapo pan/tilt cameras can turn to the intruder and sound an alarm.

Guard Your Home with Alarm and Notifications

When the contact sensor or motion sensor detects abnormal behavior, it triggers the hub alarm (up to 90 dB) and notifies you via the Tapo app. Check the specific detection time in the event log from the Tapo app, no matter where you are.

Easy Installation

Place the sensors wherever you need with our tool-less installation. Easily mount the motion sensor on furniture or walls with the built-in magnet or 3M tape. Mount the contact sensor on doors or windows with the 3M adhesive.

Compact Size

The compact size allows flexible installation anywhere in your home, fitting seamlessly into the environment without disrupting the aesthetics.
