

UBIQUITI U7- Pro-Outdoor Access Point outdoor WiFi 7 1x 2.5 GbE RJ45 PoE+ IP67

Model: U7-PRO-OUTDOOR

Manufacturer: UBIQUITI NETWORKS

EAN: 810084698730

Product Code: 811423

R7,869

The Ubiquiti UniFi U7 Pro is designed for connectivity, combining robust features and performance. It operates in a wide range of environmental conditions with a minimum operating temperature of -30°C and can handle humidity levels from 5 to 95%. This wireless access point supports IEEE 802.11a/b/g/n/ac/ax/be, allowing for efficient data transmission across both 2.4 GHz and 5 GHz bands, with a maximum data rate of 688 Mbps.

Equipped with Power over Ethernet (PoE+) capabilities, the U7 Pro enhances installation flexibility by eliminating the need for separate power sources. It includes a reset button for easy management and a Private Pre-Shared Key (PPSK) feature to provide secure access for users. This access point is suitable for various applications, ensuring reliable wireless connectivity in diverse environments.
