

UBIQUITI U7- PRO-XGS WIFI 7 ACCESS POINT WITH 10/5/2.5/1 GBE

Model: U7-PRO-XGS

Manufacturer: UBIQUITI NETWORKS

EAN: 810084698341

Product Code: 811818

R8,397

The Ubiquiti UniFi U7 Pro XGS wireless access point provides connectivity with the capacity to support over 500 wireless clients and multiple streams, ensuring a reliable network experience. Designed for wall or ceiling mounting, this device is capable of operating in diverse environmental conditions with a temperature range from -30°C to 40°C and a humidity range of 5% to 95% non-condensing. With features like MU-MIMO technology, band steering, and real-time spectral analysis, it delivers wireless connectivity across Wi-Fi bands, including 2.4 GHz, 5 GHz, and 6 GHz. This access point supports Wi-Fi 6E and Wi-Fi 7 protocols, offering maximum data rates of 5.8 Gbps on 2.4 GHz and 8.6 Gbps on 5 GHz. Compliance with standards such as IC, FCC, and NDAA, alongside encryption algorithms like TLS, ensures security and reliability. The U7 Pro XGS is suitable for enhancing network capabilities in both residential and commercial environments.
