

UBIQUITI U7- Pro-XG Access Point WiFi 6GHz 1x RJ45 10Gbps PoE+

Model: U7-PRO-XG

Manufacturer: UBIQUITI NETWORKS

EAN: 810177160632

Product Code: 811981

R5,783

The Ubiquiti UniFi U7 Pro XG offers connectivity options with wireless technologies, supporting multiple standards including IEEE 802.11ax (Wi-Fi 6) and IEEE 802.11be (Wi-Fi 7). With the capacity to accommodate up to 300+ wireless clients and 6 BSSIDs per radio, this access point is designed to handle high-demand environments. The device operates in temperatures ranging from -30°C to 40°C, and can function effectively in humidity levels of 5 to 95%, ensuring reliable performance in various settings. The design allows for flexible mounting on walls or ceilings, making it adaptable to any workspace. Equipped with features such as MU-MIMO technology, band steering, and Fast Roaming, it streamlines user experience while enabling seamless connectivity. The aluminum alloy and UV stabilized polycarbonate enclosures enhance durability, while built-in security protocols like TLS encryption and RADIUS authentication provide data protection, making the Ubiquiti UniFi U7 Pro XG a choice for those seeking reliable network solutions.
