

MS Surface Tunderbolt 4 Dock SC IT/PL/PT/ES EMEA Black

Model: T8H-00004

Manufacturer: MICROSOFT

EAN: 196388142057

Product Code: 812276

R7,184

The Microsoft Surface Dock serves as a versatile docking station that fosters seamless connectivity and enhanced productivity. With an integrated form factor, it is designed to work with your Surface device, providing a robust power supply and a multitude of connection options. This device is equipped with various interfaces, including audio and networking ports, ensuring a comprehensive connection experience for personal and professional needs. Networking capabilities are supported through Ethernet, Fast Ethernet, and Gigabit Ethernet protocols, creating stable and high-speed Internet access. The inclusion of a Kensington security slot enhances the device's security by allowing for physical measures to be employed, safeguarding your valuable equipment. The Surface Dock simplifies your workspace and elevates your everyday computing tasks with its reliable and efficient design.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
