Model: BM-25B-OP

Manufacturer: CHIEFTEC

EAN: 753263076366

Product Code: 815660

R2,823

BM-25B-OP

The Chieftec CLASSIC Series brings new life to the proven quality and the decade-old success of the UNI Series with a refreshed front panel design on the outside, while upgrading the quality and features on the inside. Built from 0.7 mm sturdy SECC and including toolless drive installation kits, the CLASSIC series is perfect for system builders who value true quality and timeless design.
