R5,345

The Samsung Odyssey G5 C34G55TWWP introduces a new era of gaming with its features and design. At the heart of this gaming monitor is a 34-inch curved display that boasts a UWQHD resolution, providing breathtaking visuals and a level of immersion that pulls you right into the action. HDR10 support enhances your gaming experience with vibrant colors and deeper blacks, ensuring each scene is displayed with clarity.

Designed with gamers in mind, the Odyssey G5 features AMD FreeSync Premium technology, which, when combined with a 165 Hz refresh rate and a mere 1 ms response time, offers smooth, seamless gameplay without the distractions of screen tearing or stuttering. Whether you're in the heat of battle or exploring vast landscapes, the monitor's performance remains consistently smooth.

Beyond its performance, the Odyssey G5 is built for comfort. Its 1000R curvature mirrors the natural curve of the human eye, reducing strain during long gaming sessions. Additionally, Samsung's Eye Saver Mode and Flicker-Free technology further minimize eye strain, allowing you to extend your gaming sessions comfortably. With its blend of technology and user-centric design, the Samsung Odyssey G5 is not just a monitor but a gateway to new gaming adventures.
