Precise, efficient, high-quality planing with a cutting depth of up to 1.5 mm

The PHO 1500 is ideal for precise and efficient planing. The 550 W motor is perfect for tackling applications up to 1.5 mm deep. The patented Woodrazor blade system enables effortless planing with high-quality results. Maintain a cleaner working area thanks to the single-sided chip ejection system with access for a dust bag or a vacuum cleaner. It is ideal for general planing applications such as doors, windows, worktops, and shelves; and for chamfering edges and removing coatings on hardwood or softwood.
