

UBIQUITI USW- PRO-MAX-16

Model: USW-PRO-MAX-16

Manufacturer: UBIQUITI NETWORKS

EAN: 810084694565

Product Code: 822103

R7,851

The Ubiquiti UniFi Switch Pro Max 16 offers a robust networking solution designed for seamless performance in both home and business environments. With a built-in 1.3" touch screen display, managing and monitoring network status becomes effortless. Designed to operate reliably between -5°C and 40°C, this switch withstands diverse environmental conditions while supporting a humidity range of 10 to 90% (non-condensing). It features 16 ports with a mix of 10GBase-T, 10/100/1000 Base-T, and 2.5GBase-T technologies, ensuring versatile connectivity options for various devices. Performance is enhanced with non-blocking switching throughput of up to 84 Gbps, catering to high-demand applications without lagging.

Product Description: Ubiquiti UniFi Switch Pro Max 16 - switch - 16 ports - Managed - rack-mountable | Device Type: Switch - 16 ports - L3 - Managed | Enclosure Type: Rack-mountable 1U | Ports: 12 x 10/100/1000 + 4 x 2.5GBase-T + 2 x 10 Gigabit Ethernet | Performance: Non-blocking switching throughput: 42 Gbps Switching capacity: 84 Gbps | Routing Protocol: STP, RSTP | Features: Steel housing, reset button, IGMP snooping, port disable, RSTP support, port isolation, Storm Control, Voice VLAN, port mirroring, port aggregation, LACP, multicast/broadcast rate limiting, MAC address authentication, flow control, 802.1x authentication, Jumbo Frames support, loop protection, DHCP snooping, DHCP protection, egress rate limiting, LLDP-MED, ACL support, DHCP relay, Inter-VLAN

Routing, static routing, Etherlighting ports, LED status indicators, VLAN support | Compliant
