

VACUUM CLEANER ROBOT X50 ULTRA/BLACK RLX85CE-6-BK DREAME

Model: RLX85CE-6-BK

Manufacturer: DREAME

EAN: 6977328065032

Product Code: 822234

R22,138

First of it's kind obstacle clearing for the ultimate clean.

The ProLeap™ system elevates X50 Ultra 's ability to navigate your home like never before* by utilizing a wheeled robot design. It allows the robotic vacuum to traverse previously unpassable obstacles to take the next step in the future of automatic home cleaning.

World's 1st Robotic Retractable Legs

Designed for endurance, the X50 Ultra's Retractable Legs power through an impressive 30,000 cycles*, ensuring durability you can rely on. Tested for the long run, it's made to tackle your cleaning tasks day after day. Plus, our complimentary warranty service* gives you extra peace of mind.

Obstacles Don't Stand a Chance

With 3D structured light and AI action, X50 Ultra identifies up to 200* types of objects, including pet waste, with impressive accuracy. This technology projects a detailed 3D map to detect and avoid smaller items like wiring and socks while safely navigating closer to larger obstacles such as shoes and charging bases.

Light the Way

Built-in LED lights guide X50 Ultra, enabling early detection of obstacles and disruptions. These start in dim environments, such as rainy days, nights, and low dark places, to assist navigation and obstacle avoidance.

Take Advantage of TurboForce

X50 Ultra kicks cleaning up a notch with its high-powered suction up to 20,000Pa that practically inhales dirt. No mess stands a chance—whether hidden in deep carpet fibers, trapped between tiles, or sitting on sleek marble floors. With five cleaning modes, you get the right power punch for every surface, leaving barely a speck behind.

Anti-Tangle Hair Like Never Before

HyperStream™ Detangling DuoBrush delivers 100% anti-entanglement*, expertly managing hair up to 30cm* long without tangles. Its unique air duct design lifts hair while ensuring a smooth, continuous clean. Compared to a single brush, two brushes double the cleaning power* and are suitable for cleaning in different scenarios, such as floors and carpets. This innovative design enhances cleaning efficiency and keeps noise levels low, leaving your spaces immaculate.

Reach More with SideReach™

X50 Ultra dives into corners and tight spots with SideReach™, easily sweeping away hidden dirt, guaranteeing a 100%* clean. Its tough, tangle-free bristles keep hair in check while tackling those hard-to-reach areas, like under furniture legs and deep into nooks, leaving nothing behind.

Carve Out Dirty Corners

MopExtend™ RoboSwing reaches where other vacuums fall short, easily gliding under furniture and into tight corners. Extending up to 4cm* deep, it tackles hidden debris for a thorough clean in those hard-to-reach spaces.

Keep Brushes Dry

While mopping, TripleUp Tech raises both the side and main brushes up to 10mm* and 5mm* respectively, allowing the mops to lower and tackle stubborn stains like soy sauce and coffee. This keeps the brushes dry and prevents unpleasant odors in the dustbin, ensuring your vacuum performs at its best and stays fresh.

Protect Your Carpets

When vacuuming, TripleUp Tech lowers the side and main brushes to capture dust and pet hair while the mops lift 10.5mm to keep carpets dry and undamaged. This setup ensures strong suction power and protects carpets from potential moisture damage.

Hands-Free Cleaning with Less Water Residue

The AceClean™ DryBoard system fires 20 high-temp spray nozzles for a spotless, streak-free washboard. No hand scrubbing is needed—this system handles the cleaning and drying independently. It swiftly clears out dirty water, keeping bad odors at bay and saving you time and effort.

- World's 1st Robotic Retractable Legs
- 360° Smart Mapping & Low-Profile Cleaning
- Quietly Conquer Ledges and More

Summary: Dreame X50 Ultra. Dust container type: Combi, Product colour: Black, Stainless steel, Shape: Round. Dust capacity (total): 0.395 L, Base station functions: Charging, Purification, Noise level: 70 dB. Battery capacity: 6400 mAh, Runtime: 220 min, Battery life: 205 m². Height: 111 mm, Width: 350 mm, Depth: 350 mm. Package width: 419 mm, Package depth: 519 mm, Package height: 691 mm | Vendor Homepage: https://www.dreame.tech.com/products/dreame-x50-ultra-robot-vacuum-white?_ | Dust container type: Combi | Product colour: Black/Stainless steel | Shape: Round | Dust container type (base): Dust bag | Wet mopping: Yes | Dust capacity (base + vacuum cleaner): 0.395 | Water tank capacity: 4.5 | Vacuum cleaner programs: Carpet/Intensive | Self-emptying dust container: Yes | Automatic base station return: Yes | Base station functions: Charging, Purification | Brush material: Rubber | Obstacle detection: Yes | Brush type: Roller brush & Side brush | Number of brushes: 2 | Easy to clean: Yes | Floor surfaces supported: Carpet/Hard floor | Navigation type: 3D Smart Navigation, Mapping | Noise level: 70 | Threshold climbing (max): 60 | Works with Amazon Alexa: Yes | Works with the Google Assistant: Yes | Battery capacity: 6400 | Runtime: 220 | Battery
