Nitecore NWL20 600 Lumens Rechargeable COB Mechanics Work Light.

The Nitecore NWL20 is a powerful, rechargeable, portable COB work light designed for job sites, garage mechanics, or workshops. With a maximum output of 600 lumens in flood mode, the NWL20 provides a bright and even beam that lights up your entire work area. Three adjustable brightness levels make the NWL20 versatile for various light scenarios. Additionally, It has a spotlight that shines at 290 lumens, capable of illuminating objects up to 102 yards away, making it excellent for long-distance viewing. The NWL20 also features a Red Light mode, ideal for preserving your night vision during prolonged use, or you can switch to the flashing mode for a long-lasting signal light.
