

# MEMORY READER FLASH USB3 BLACK/TS- RDF5K TRANSCEND

Model: TS-RDF5K

Manufacturer: TRANSCEND

EAN: 760557823483

Product Code: 822297

## R687

Engineered to deliver fast data transfer speeds, the RDF5 card reader features a USB 3.1 Gen 1 interface and support for both SDHC/SDXC and microSDHC/SDXC cards. Capable of being plugged directly into the USB port on any desktop or notebook computer, the ultra compact RDF5 offers effortless file sharing in any situation.

### Versatile card reader for SD and microSD cards

Featuring double card slots for both your SD and microSD memory cards, the RDF5 handles most of your daily needs for transferring data between your cameras, phones, and PCs.

Note: The reader does not support simultaneous insertion of SD and microSD cards.

### Standard USB Type-A connector

Transcend's RDF5 card reader comes with a standard USB Type-A connector. Besides using it as a card reader, you can also use it as a USB flash drive on any desktop or laptop computers. Simply plug it in directly to the USB port of the computer.

### **Higher speeds, higher efficiency**

Equipped with the USB 3.1 Gen 1 interface, the RDF5 card reader shows amazing transfer speeds, much faster than what you'd get with USB 2.0! Not only will the RDF5 handle your high-resolution images and videos with ease, but it also has an LED indicator to show card insertion and data transfer activity.

### **Compact Power**

The RDF5 card reader is small enough to slip into your pocket or briefcase for superior convenience. With its plug-and-play functionality, you can transfer your most important files between the RDF5 and your computer anywhere, anytime.

### **RecoverRx software**

Transcend offers the RecoverRx software, a free data recovery utility that allows you to search deep within a storage device for traces of erased files including digital photos, documents, music, and videos.

- USB 3.1 Gen 1 interface
- Multifunctional card reader with an SD card slot, a microSD card slot, and a USB connector
- Plug directly into the USB port on any desktop or notebook computers
- Convenient LED indicator
- Transfer high-resolution images and video recordings to your computer faster and more efficiently
- Download the RecoverRx data recovery software from Transcend's official website
