

APC Easy UPS uninterruptible power supply (UPS) Line-Interactive 0.9 kVA 480 W 4 AC outlet(s)

Model: BVX900LI

Manufacturer: APC

EAN: 731304404491

Product Code: 823338

R2,679

Battery backup and surge protection

Outlets provide abundant runtime for network gateway equipment and other critical low-power devices, allowing for hours of internet access during a power outage.

Battery and surge protected outlets

Back up and protect your hardware and data during power outages, surges and spikes.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Safety-agency approved

Ensures the product has been tested and approved to work safely with the connected service provider equipment and within the specified environment.

Boost Automatic Voltage Regulation (AVR)

Preserves battery life and maximizes runtime by correcting low voltages without discharging the battery.

Cold-start capable

Provides temporary battery power when the utility power is out.

Sleek design

Slim, modern design can be upright, flat, or wall-mounted to comfortably fit any electronics set-up and complement home décor.

Transformer-block spaced outlets

Protect equipment with input transformer blocks without blocking access to other receptacles.

LED Indicators

Provide easy-to-read status of the unit and utility power conditions.

Audible alarms

Provides notification of changing utility power and UPS power conditions.

Advanced Safety Features

Safeguard your Home UPS from overloads, excessive mains voltages, short circuits, installation mishaps and battery damage due to low voltage situations.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
