

LogiLink LPS235A power extension 1.8 m 3 AC outlet(s) Indoor Black, Silver

Model: LPS235A

Manufacturer: LOGILINK

EAN: 4052792061888

Product Code: 823346

R884

Discover the practical and reliable 3-way pop-up socket from LogiLink with child-friendly opening and closing mechanism. Ideal for the use in the office, meeting rooms or even at the normal desk at home. You can retract the socket completely under the table top for a clean and tidy look and, if necessary, extend the socket by simply pulling up the handle on the top. Fast, easy and space saving.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
