

Epson C31CJ52103 label printer Direct thermal 170 mm/sec Wired & Wireless Ethernet LAN

Model: C31CJ52103

Manufacturer: EPSON

EAN: 8715946718354

Product Code: 823482

R10,102

This thermal label printer has been developed for a range of retail and hospitality businesses, including fast-food retail chains, restaurants, food delivery services, ghost kitchens, supermarkets, convenient stores and catering. The TM-L100 supports a range of media, including thick and highly-adhesive media, to help create a range of permanent and semi-permanent labels. It can also be easily integrated as part of an overall POS solution.
