

StarTech.com 18in SATA to Right Angle SATA Serial ATA Cable

Model: SATA18RA1

Manufacturer: STARTECH

EAN: 065030805353

Product Code: 823546

R676

Make a right-angled connection to your SATA drive, for installation in tight spaces

The SATA18RA1 Right Angle (90-degree) SATA Cable features a standard (straight) SATA receptacle as well as a right-angled SATA receptacle, providing a simple 18-inch connection to a Serial ATA drive, with full SATA 3.0 bandwidth support of up to 6Gbps when used with SATA 3.0 compliant drives.

The right-angled SATA connection enables you to plug in your Serial ATA hard drive in hard to reach areas or tight spaces, while the low profile and flexible design of the cable improves airflow and reduces clutter in your computer case, helping to keep the case clean and cool.

The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Constructed of only top quality materials and designed for optimum performance and reliability this 18" SATA cable is backed by our lifetime warranty.

As an alternative, StarTech.com also offers an 18in Left Angle SATA cable (SATA18LA1), which provides the same simple installation as this right angled SATA cable, but allows the cable to connect to the SATA drive from the opposite direction.
